

we are... partners

boyfriends buddies married FwB lovers
hanging out dating hooking up doing it

testing together for HIV

testing together allows you to learn your HIV status together with your partner.

testing together doesn't focus on the past.

testing together does allow you to make informed plans for your future.

Talk with your partner and contact your healthcare provider to schedule an appointment or learn the best time to come in for testing together.

Available at this Facility and Many Other Locations.
